

Northern Health Research Digest

Issue #2 05 August 2024

Dates to remember

- **Monday 19th August 2024, 12pm [Research Week](#)** – Abstract Submissions Close
- **Thursday 22nd August 2024, 1-2.30pm (AEST)** Webinar- Consumers in research : What's our role. Click [here](#) to register.
- **21-25th October 2024** Northern Health Research Week

Featured items

1. Grant Opportunity

[CASS Foundation 2024 Science/Medicine Grants:](#)

- Supports research and development projects in science and/or medicine.
- Preference is given to proof of concept project applications.
- Grants up to \$65K are available.
- *Closing date Friday 30th August.*

3. Have your say!

Australian Health and Medical Research Survey.

The Department of Health and Aged Care is conducting a survey to understand the demographics, environments, challenges and motivations of Australian health and medical researchers. Access the survey [here](#).
Survey closes 9th August.

2. Education/Training

Improving Patient Care Through Teletrials:

A free online course (approx. 3 hours duration) that explains the overarching concept of teletrials and promotes benefits. Access via VCCC Alliance [here](#).

4. Connections and Collaborations

[Research Link Australia](#) is a new service of the [Australian Research Data Commons](#).

Research Link Australia helps you identify and connect with researchers in specific fields, collaborations, and capabilities across academia, industry and funders.

NH Publication Highlights

- Crosbie D, Barton J, Ghosh A, Hayes B, Jones D. Frequency and potential causes of non-beneficial Code Blue activations at a metropolitan teaching hospital. Intern Med J. 2024 Jul 26. doi: 10.1111/imj.16487. Epub ahead of print. PMID: [39056585](#).
